

**Process Control**

**Machine Safe Guarding**

**Motor Control**

Contactors, Overloads, Manual Motor Protectors, Pilot Devices, Limit Switches, Sensors, Cam Switches, Molded Case Circuit Breakers, Disconnects, Terminal Blocks, Mini Breakers, Power Supplies, Electronic Interface, Timers, Monitoring Relays.

**Drives entrelec**

Contactors, Motor Protection, Starters, Softstarters, Motor Circuit Controllers, Pilot Devices, Rotary Cam Switches, Disconnects, Terminal Blocks, Stack Lights, Mini Circuit Breakers.

A Member of the ABB Group

Cable Protection System, Conduit System, Fittings, Power Connection & Control, Connectors and Grounding, Wire Termination, Surge Protection, Wire & Cable Management, Boxes & Covers, Fastening System, Identification, Metal Framing and Cable Trays.

more sensors, more solutions

Photoelectric Sensors, Laser Distance Measurement, Fiber Optic Amplifiers, Measuring Arrays, Registration Mark and Luminesce Sensors, Ultrasonic Sensors, Machine Safety, Lighting and Indicators, Machine Vision, Wireless Sensor Network, Bar Code Readers, Radar Sensors, Temperature and Vibration Sensors.

Your Global Automation Partner

Inductive & Capacitive Proximity Switches, Magnetic, Ultrasonic, Encoders, Linear Position, Pressure, Temperature, Inclination, Flow Sensors, Industrial RFID, Fieldbus, Cordsets & Receptacles, Splitters, Junction Boxes, Field Wireable Connectors, Machine Safety, Programmable Gateways, Power Supplies.

**Industrial Control Specialists Ltd.**

8 Delta Drive, Londonderry, NH 03053

Tel: 800-370-2283 • 603-625-2900 • Fax: 603-625-2431

**marathon**™  
Special Products

Power Blocks, NEMA and Enclosed Splicers & Distribution, Heavy Duty Terminal Blocks, Barrier Strips, Photovoltaic Fuse Holders, Open and Enclosed Fuse Holders, Custom Products.

Wire Ferrules, (Insulated and Uninsulated), Hand and Automatic Crimping Tools.

Control Cables, LSC-Wiring Systems, Interface and Suppression Technology, Power Supplies, Field Bus Technology, and Signal Conditioners.

Quick Connect and Disconnect Multi-pin Connectors, D-Subminiature Plates for EPIC Housings, Mixed Power Connectors, Cable Assemblies, Panel Interface Connectors.

Industrial Relays, General Purpose Relays, Power Relays, Interface Modules, Relays Sockets, Relay Modules, and Timers.

Stack Lights, Optical Signal Devices, Audible Signal Devices.

All-In-One-Controllers, HMI + PLC, Expansion and Remote I/O.

Safety Interlocking Switches, Trip Dogs and Rails, Limit Switches, Non-Contact Safety Switches, Joystick Switches, Pendant Stations.

DIN Rail Mount Solid State Relays, Panel Meters, Proximity Switches, Photoelectrics, Timers, Counters, Level Sensors.

Safety Laser Scanners, Scanning Laser Rangefinder, Obstacle Detection Lasers, Optical Data Transmission.

NEMA Type Enclosures, JIC Enclosures, Non-Metallic Enclosures, Stainless Steel Enclosures, Operator Interface Enclosures, Modular Enclosures, Control Transformers.

Explosion-Proof Enclosures, Control Stations, Junction Boxes, Pushbutton Stations, Custom Enclosures.

Din and Panel Mount Power Supplies, Single and Three Phase, UL 508 Listed.

PLC + HMI, Graphic Operator Panel & PLC, Thermocouple Input with PID Control PLC.

Process Control – Machine Safe Guarding – Motor Control

Standard and Custom Electric Heaters, Band Heaters, Cartridge Heaters, Aluminum and Brass Cast-In Heaters, Mineral Insulated Band Heaters, Ceramic Band Heaters, Ceramic Infrared E-mitters, Strip Heaters, Tubular Heaters, Process Heaters, Instrumentation, and Thermocouples.

Temperature Controllers, Process Controllers, Multi Loop Controllers, Ramp/Soak Controllers, Software.

Melt Pressure Transducers, Gauges, Indicators, Temperature Controllers.

Custom and Standard Insulation Blankets, Sound Dampening Blankets, Drool Disc for Injection Molding Machines.

Zero and Phase Fired Power Controls, DC Power Supplies and Custom Control Systems.

Phase, Current, Voltage, Frequency Monitors, Time Delay Relays, Solid State Timers, Alternating Relays, Current Transformers.
